Greetings!

This is a wonderful and very interesting conversation between Pam Gregory and Rory Duff:
https://www.youtube.com/watch?v=8nKK8Pd8_1A

In which Rory introduces the Sacred Network which has been set up to link people with each other and their local sacred sites in order to meet for prayer and meditation in connection with the Earth's energy lines and the new incoming energies:
https://roryduff.com/wp-content/uploads/2022/01/Sacred-network-prospectus-300122.pdf

I thought you would be interested personally and might like to share with your network.

All good wishes,
Caroline
